**TO WHOM IT MAY CONCERN: DEPARTMENT OF EDUCATION**

Fezeka's Voice is an important South African film. Its value for students and teachers alike is IMMEASURABLE – especially in light of the lack of motivation in schools and the high failure rate, which is so pervasive across the country.

Fezeka's Voice needs to be shared with as wide an audience as possible. The power of mentorship, as demonstrated in this film, is extraordinary. I support the project whole-heartedly, congratulate Phumi on what he has achieved, against all odds, and ask that the Department of Education make this film required viewing for teachers and learners alike.

God bless you

Archbishop Desmond Tutu
